MEMORANDUM FOR: Deputy Director/Science and Technology

SUBJECT: Staff Study on Surveillance of Health and Sanitation  
in Countries of Priority Intelligence Interest

### I. IDENTIFICATION

This project is intended to provide direct support to scheduled production of Sections 45 of the National Intelligence Surveys by MSB/LSD in FY-66. Project output will provide studies on health and sanitation in eight priority countries.

### II. SCOPE AND OBJECTIVES

The Contractor is to provide space, personnel and equipment necessary for this support project. The Contractor is expected to provide adequate and prompt submission of prescribed country studies to the NIS-Section 45 Coordinator as provided below. The countries and contractor submission deadlines presently scheduled for FY-66 are:

<u>NIS Number</u>	<u>Area</u>	<u>Deadline of Contractor Draft to LSD/SI</u>
56D	Kenya	30 Jul 65
93	Bolivia	31 Aug 65
43A	Cambodia	29 Oct 65
43B	Laos	30 Nov 65
43C	North Vietnam	31 Jan 66
43D	South Vietnam	31 Mar 66
95A	British Guiana	31 May 66
50E	Guinea	29 Jul 66

### III. BACKGROUND

Production of Sections 45 of the National Intelligence Surveys has been the responsibility of LSD since 1956. Information derived from these Sections has been useful background materials for NIEs and for other intelligence services. The NIS-Sections 45 have been found useful by military commanders and by persons responsible for support to foreign aid programs. These Sections represent an essential segment of basic intelligence.

**IV. TECHNICAL SPECIFICATIONS**

The NIS Reference Guide presents a convenient summary of the characteristics and purposes of the National Intelligence Survey program. Standard instruction for the preparations of NIS Sections 45 have already been made available to the Contractor and have been employed by him during FY-65. The Contractor will be furnished completed portions on veterinary medicine and military medicine which he can integrate into his draft production.

**V. CONTRACTOR**

25X1

**VI. DURATION OF CONTRACT**

This contract will extend from 1 July 1965 to 30 June 1966. Contract renewal will depend on satisfactory performance.

**VII. COORDINATION**

The NIS-Section 45 Coordinator has coordinated this activity with the Office of Basic Intelligence, the NIS program coordinator and with government elements, including State Department and DIA, which are concerned with NIS production. During the course of this contract he will maintain close contact with the Contractor and Contract employees for direct monitoring of their activity.

**VIII. SECURITY**

Agency association with this project will be UNCLASSIFIED; however, the Contractor will be advised to disclose the Agency interest only if necessary in the performance of the contract. The Contractor will be furnished classified information at the CONFIDENTIAL and SECRET levels or less and reports resulting from this project will bear one of these classifications. Agency SECRET contract clearances will be necessary for Contractor personnel. A facility approved for storage and transmission of Agency CONFIDENTIAL and SECRET material will be required.
